Dear Mr. Rommel:

Enclosed is a proposed report to Chairman Ervin, Senate Committee on Government Operations, in response to a request for our recommendations on S. 3418, a bill "To establish a Federal Privacy Board to oversee the gathering and disclosure of information concerning individuals, to provide management systems in Federal agencies, State, and local governments, and other organizations regarding such information, and for other purposes."

Advice is requested as to whether there is any objection to the submission of this report from the standpoint of the Administration's program.

Sincerely,

SIGNED
